Representative cells selected by median force-vs-work MAE difference
Piezo1 | 20191218-2-scan-80 | future sweep 3
Piezo2 | 20190826-3-scan-80 | future sweep 2
observed current
one-shot gated force
one-shot work power law
estimated contact
observed onset
Current (pA)
force / calibration peak
work / calibration peak
power / calibration peak
calibration force threshold
Mechanical input / calibration scale
Time from compression start (ms)
